Dear Brothers and Families,
Celebrating the Traditions of our Faith

We have just observed one of the most beautiful celebrations of our Catholic traditions: the birth of our Lord and Savior Jesus Christ. Why is this meaningful to us as Catholic Christians? Our God presented to us the most beautifully wrapped gift in swaddling clothes – the Christ child who would be our Savior and King. This is the same gift which transforms us daily in the Eucharist, which can be opened and reopened a multitude of times and provide all we need. I pray your Christmas and New Year's Celebrations were filled with peace, warmth, happiness and joy!

Our beloved Order provides us with the opportunity to enjoy the gift of our insurance program. Did you know that we have an insurance offering for almost every member of your family? These offerings remain in compliant with the foundation of the Knights of Columbus, established due to the large number of immigrants who were entering the United States in the mid 1800's. This was a tough time for these new immigrants and our founder. The Venerable Father Michael J. McGivney did whatever it took to provide a safe, secure foundation with the best program of insurance to fulfill their needs and desires.

135 years later we remain a solid, solvent and thriving insurance company providing a variety of insurance offerings which are guaranteed, secure, and carry the *Catholic Difference* – all of our policies are rooted in Gospel values and Catholic Church teachings. No other insurance company can offer this.

Fraternally Yours,
