Part 5 of 6

Fraternal Benefits, Survivor Benefits & Personal Services

As I mentioned previously, the Knights of Columbus offer Fraternal Benefits, Survivor Benefits and Personalized Financial Services. Now that's something isn't it? When the chips are down, not only will you receive your standard death benefits, but you'll have a supportive group of fellow members to lean on.

These benefits remind policyholders that their insurance is set up with their best interests in mind. Knights of Columbus Insurance surely takes customer service to the next level!

What customers think is true. So why would I pick Knights of Columbus Insurance?

Well there's a laundry list of positive things to say about Knights of Columbus Insurance....

There's no such thing as perfection! Let's face it, there's always some downside to the upside – and Knight of Columbus Insurance is no different. So let's see what their weaknesses are now!

Quick Cons:

- They offer a relatively limited line of products
- You have to be a member of the Knights of Columbus to enjoy their insurance products
- Some families may not receive the same fraternal benefits
- Knight of Columbus Insurance Only Offers Life Insurance, Annuities, Disability & Long Term Care. If you're looking for any other type of insurance, you'll need to look further.

That being said, since Knights of Columbus Insurance focuses only on a few types of insurance products, they offer some of the best coverage in North America in these categories.

Knights of Columbus Insurance Isn't Offered to the General Public

Another downside to Knights of Columbus is that their insurance isn't open to the public. You must be a member of the Order to qualify for coverage. While members of the Order benefit from the exclusivity of Knights of Columbus insurance, nonmembers are out of luck.

I'm actually considering a Knights of Columbus membership because this offer looks so good - how can I get a quote?

Since Knights of Columbus insurance isn't offered to the public, it's difficult to know how they match up to other insurance companies. You may obtain a quote upon speaking with a Fraternal Insurance Agent.

The Knights of Columbus website does offer an insurance calculator that you can use to determine how much life insurance you need to protect your family.

So Let's Talk About Prices!

I have reason to believe that Knights of Columbus Insurance Policies are likely quite affordable! I'll explain in next month's article.
