

# Ten Reasons Why Men of Faith Should Support K of C Insurance

Excerpted from Knightline, September 2018, Volume 35

Dear Brothers, Spouses, Children and Grandchildren:

This month we are in the midst of the Advent Season preparing for the Celebration of the Birth of the Christ Child. As we embrace this season of preparation and jubilation, please allow me the opportunity to ask you a couple of questions. First, have you taken the necessary steps to protect yourself, your spouse and your children when the time comes and you leave this world? Second, if you have insurance with another company, are your investments in line with the teachings of the Catholic Church and representing Gospel Values? With the Knights of Columbus Insurance Products, you are guaranteed that all investments are aligned with the teachings of the Catholic Church providing us with the Catholic Difference.

Please follow along with me as I share ten points which sets us apart:

1. The Knights of Columbus has products that help families all across the economic spectrum. If a Catholic family needs a strong insurance company, we are it.
2. The Knights of Columbus serves our members with high integrity. This is why our company has recognized as the World's Most Ethical Company for the fifth straight year.
3. Each member is assigned a Field Agent committed to you and your needs. It is our mission and purpose to provide the best advice and service to you and your family.
4. Your dollars with the Knights of Columbus do triple duty: they are invested in a Catholic way, they help those less fortunate, and they help your family.
5. We offer more than Life Insurance. We also have IRAs, Roth IRAs, 401ks or non-qualified funds can be placed to maximize your retirement income.
6. I can help you create a solid financial legacy plan. Remember, you don't choose if you leave a legacy – you either leave your family a legacy of love or you leave the burdens.
7. Our insurance program offers long term care insurance, a product that helps you pay for your extended medical needs in a nursing home facility or in the comfort of your own home. We allow you the decision on how and where you should live. It's up to you.
8. With the Knights of Columbus you can guarantee that, even though you run out of money, you will never run out of income.
9. We offer disability-income insurance, a product that helps replace lost income if you are unable to work due to a disability resulting from an illness or accident.
10. The Knights of Columbus help to ensure that the dreams a father has for his children can come true – even if he's not here to see it and provide it
